

her retirement as Chief Executive Officer of United Health Centers of San Joaquin Valley.

Founded in 1971, United Health Centers (UHC) has become one of the largest and most important healthcare providers in the Central Valley. Rural communities like many of those found in the Valley are often overlooked when it comes to accessing health services. UHC plays a critical role in ensuring those in rural and underserved communities receive the healthcare they deserve.

Mrs. Curtis has been with UHC for 20 years, beginning her career in 2002. In 2009, she became the organization's Chief Executive Officer (CEO) and helped to expand UHC's presence in the Central Valley. Throughout her 14 years as CEO, the organization continued to grow, expanding the number of centers to 28 across the Valley. Today, UHC provides medical services for over 165,000 patients through its over 1,000 employees, and last year completed nearly 1,000,000 patient visits.

Mrs. Curtis has consistently demonstrated her professionalism, dedication, and competency as an executive throughout her time leading UHC. She has been a constant source of stability and leadership, helping to guide the organization through unstable economic times and a global pandemic—all while continuing to expand and improve services for Central Valley residents. Her colleagues have described Mrs. Curtis as a "powerhouse in the healthcare industry" and I could not agree more.

I ask all of my colleagues in the United States House of Representatives to join me in congratulating Mrs. Colleen Curtis on her 20 years of success at United Health Centers and wishing her a happy and well-earned retirement.

HONORING SUPERVISOR DIANE
DILLON

HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, December 8, 2022

Mr. THOMPSON of California. Madam Speaker, I rise today to honor Napa County Supervisor Diane Dillon in honor of her retirement and service to our community.

Ms. Dillon was born and grew up in Napa, California and graduated from Napa High School in 1970. She received a Bachelor of Arts degree in Cultural Anthropology from the University of California, Santa Barbara in 1975, a Master's in Library and Information Science from the University of California, Los Angeles in 1977 and a law degree from the University of California, Davis in 1981.

From 1981 to 2002, Ms. Dillon practiced law in Napa County, working as a partner with Coombs & Dunlap, LLP for eighteen years and specializing in estate planning, probate and trust administration. During this time, she also served as Deputy City Attorney for the City of Calistoga. In 2002, Ms. Dillon was elected to the Napa County Board of Supervisors to represent the 3rd District. Four years later, she became the first female supervisor in the Board's history to be re-elected.

As a supervisor, Ms. Dillon has worked tirelessly to promote conservation, support Napa County's agricultural community and limit the impact of wildfires. She helped establish the

first countywide fire hazard abatement ordinance in California and increased interest in the Napa County Firewise Foundation. Ms. Dillon also successfully advocated for \$1 billion in funding for wildfire prevention and management from the state legislature. In 2018, Ms. Dillon helped form the "Joint Local Governments," a movement led by Napa, Sonoma and Mendocino Counties as well as the City of Santa Rosa to provide formal legal representation at the California Public Utilities Commission in response to PG&E action. In the face of unprecedented challenges including the 2015 Napa Earthquake, 2017 Northern California wildfires, 2020 LNU Lightning Complex fires and COVID-19 Pandemic, Ms. Dillon remained resolute in her commitment to help Napa County rebuild and recover.

Ms. Dillon has served on numerous boards and committees including the Rural County Representatives of California, the Association of Bay Area Governments and the North Bay/North Coast Broadband Consortium. She is a member of the California Library Association, Rotary Club of St. Helena, Napa County Historical Society and a founder of California Women Lawyers, the largest association of women lawyers in the United States. Ms. Dillon is the proud wife of Bill Moseley and mother of Jake and Nick.

Madam Speaker, Supervisor Dillon is deeply appreciated for her decades of selfless service and commitment to the people of Napa County. Her efforts have made our county a safer and more enjoyable place to live. Therefore, it is fitting and proper that we honor her here today.

HONORING DR. KELLI WARD,
CHAIRWOMAN OF THE REPUBLICAN PARTY OF ARIZONA

HON. PAUL A. GOSAR

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

Thursday, December 8, 2022

Mr. GOSAR. Madam Speaker, I rise today to honor a fellow doctor and the great chairwoman of the Republican Party of Arizona, Dr. Kelli Ward.

Kelli and I share a similar story. We got into medicine in order to help others lead healthier lives. The last thing on our minds was serving in politics. Around the same time—after seeing the disastrous fall into socialism after President Obama's first election, we both felt the call to defend and serve the people of the greatest country on Earth.

After a successful stint in the Arizona Senate and a near historic upset of Senator John McCain in the 2016 Republican Senate primary, Kelli set her sights on the chairmanship of the Arizona Republican party, winning in 2019 and earning reelection in 2021.

Kelli's tenure as chairwoman has been nothing short of spectacular. She led the charge in defiance of unconstitutional and abusive COVID-19 lockdowns and vaccine mandates. She was also one of the few activists willing to highlight and condemn the many instances of clear and significant voter fraud perpetrated in the 2020 elections. She even wrote a bestselling book about it. She also played an instrumental role in ensuring a successful audit of Maricopa County's disastrous election management.

Kelli created enthusiasm with our grass roots. She was relentless in her efforts to grow the party and register voters. She kept her politics conservative, but she gave her time liberally. She attended meetings across the state and kept a schedule few could match. She was tireless in her focus and getting the job done. Without her, many elections would have been lost and through her efforts she was able to stem otherwise insurmountable odds against candidates. In short, against difficult circumstances, she never gave up and helped many successful candidates.

Her work was noticed from the local chapters up to the White House. President Trump has Kelli on speed dial and seeks her counsel regularly.

I consider Kelli, and her husband Mike, friends. I hired their daughter Katie to work in my office. Like her parents, she was a joy to have. Lake Havasu and Arizona are blessed to have the talent and dedication of Kelli and Mike.

Like so many Americans—whether they be Steve Bannon, Michael Flynn, Mike Lindell, Mark Meadows, peaceful pro-life and election protestors, parents disgusted by sexual indoctrination, or even the former President, Kelli is facing persecution for her political beliefs through a Soviet-style weaponization of the federal justice system. It is wrong. It must end. But it will not tarnish the stellar reputation and career of Kelli Ward. My message is one that is unnecessary for a warrior like Kelli but I will say it anyway. Keep fighting. Her country needs her.

And thank you for all your work and sacrifice.

HONORING SENIOR AIRMAN ALEXIS SANCHEZ UPON RECEIVING THE DISTINGUISHED FLYING CROSS

HON. JOHN GARAMENDI

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, December 8, 2022

Mr. GARAMENDI. Madam Speaker, I rise today to honor and commend Senior Airman Alexis Sanchez of the 60th Air Mobility Wing upon receiving the Distinguished Flying Cross for her service, dedication, and sacrifice during Operation Allies Refuge. She exemplifies the best of America, and her tireless efforts guarantee the safety of all those who call America home.

Last year, the servicemembers of the 60th Air Mobility Wing met a challenge of colossal scale when they played a pivotal role in completing the drawdown of forces from Afghanistan. This command was critical in the largest noncombatant evacuation operation in known history, Operation Allies Refuge, ultimately saving over 124,000 lives. The 60th Air Mobility Wing directly supported the evacuation of nearly 13,000 Afghans while simultaneously managing the security and operations at Hamid Karzai International Airport. I have listened to countless stories from this group of brave men and women that exemplify the character, leadership, and bravery that is cultivated at Travis Air Force Base.

Service records only scratch the surface of the courageous actions performed by the 60th Air Mobility Wing. They put their hearts and
